Lynn Baribault

Intuitive Channeler, Oracle Card Creator & Author

Lynn Baribault is an Intuitive Channeler and international bestselling author who helps women who have been carrying too much, for too long, find their way back to trust in themselves and in the unseen world around them.

For years, Lynn held her life together through sheer will while raising her daughters and quietly sensing a deeper connection to Spirit. Everything changed when the Dragons of the St. Lawrence, ancient keepers of the mineral realm, found her along the shores of the river near her family home. Today, Lynn serves as their chosen spokesperson, channelling their wisdom alongside an extensive Spirit Team and weaving the sacred intelligence of stone, crystal, and primal Earth energy into practical guidance for everyday life.

Lynn is also an Oracle Card creator and host of Seeds of Wisdom on News for the Soul. She is certified in multiple healing modalities, including the Compassion Key. Through channeled readings, energy healing, and one-to-one mentorship, Lynn creates a supportive space for others to reconnect with their intuition and trust what they have always known.
