Siobhan (Shivon) Bhagwat

DIY Spiritualist & Spiritual Guide

Siobhan (Shivon) Bhagwat is a DIY Spiritualist who blends Catholic mysticism with the open practices and wisdom of a variety of spiritual and religious traditions. Raised Catholic, Siobhan has created a deeply personal spiritual path rooted in curiosity, reflection, and the belief that each of us can discover our own unique connection to the divine.

Living with chronic illness and disability has also shaped Siobhan's spiritual journey, deepening her understanding of the many ways we experience ourselves, our bodies, and the world around us. Through Cherry Pie Chapel, she encourages others to explore their inner divinity and create a spiritual practice that feels authentic to who they are.

Her approach embraces the beauty of finding meaning in unexpected places and reminds us that spirituality does not have to fit neatly into a single tradition or set of rules. Come meet Siobhan at the Witches Gathering and discover a fresh, open-minded approach to spirituality, self-discovery, and connection.
